[3] Waste (WS)

[3.6] Sewage Disposal

Description:

Sewerage treatment in University of Al-Qadisiyah undertakes a duty to cleanse and maintain sewers and any lateral drain. To ensure that the region they serve is properly drained, they have a responsibility to clean and maintain these sewers (and any lateral drainage). There is also a duty to provide for emptying of these sewers, usually by sewage treatment works, and, if necessary, by direct discharges to watercourses.
